Dear University City High School Teams and Booster Clubs:

The Centurion Foundation (CF) is a non-profit 501(c)(3) organization dedicated to supporting the UCHS Athletics Teams, Clubs, Students and Families. Through the Grant Program, the Foundation is able to provide monetary support for needs that may not currently be available in your budget. It is able to do so as a result of direct donations and fundraising activities. The Foundation hopes that each of you will join and urge others to support the Centurion Foundation so that we can continue to award these CF grants.

To apply for a grant from the UC Centurion Foundation, your Team, Club or Department **must** be an active participant with the Centurion Foundation. An Active Participant is defined as a minimum of \$100 in the Centurion Foundation account and liaison, head coach or club advisor attend at least one CF Board meeting in the school year.

Please scan and email the grant form to grants@uc-centurionfoundation.com. Below is the 2019 – 2020 grant request calendar. *No late submissions will be accepted.*

<u>Grant Period</u>	<u>Grant Request Submission Deadline</u>	<u>Award Date</u>
Fall 2019	Wednesday, October 2, 2019	Friday, October 11, 2019
Winter 2019/2020	Wednesday, December 4, 2019	Friday, December 13, 2019
Spring 2020	Wednesday, April 1, 2020	Friday, April 17, 2020

As you think about your idea or project, keep in mind the following criteria with which we will use to evaluate your proposal:

- **Number of Students Impacted**: a grant benefiting 10 students would not rate as highly as one benefiting 100.
- **Degree of impact on the Students**: The value and improvement offered over already available resources.
- **School Contribution**: Amount UCHS contributes to your team/club and annual cost to run program.
- **Longevity of the Project**: Items that last just one year would not rate as highly as materials that could be used over 5-10 years.
- **Practicality**: Measures whether the project is realistic and "do-able", or likely to suffer from problems like lack of training, difficulty of coordination, etc.
- **Cost Effectiveness**: The cost per pupil or the "bang for the buck."
- **Innovation**: Is your proposal a new or creative solution to a common problem? Are you thinking "outside the box?"
- **Collaboration**: The degree to which the grant involves or promotes collaboration and cooperation among different classes, grades or schools.

We look forward to reviewing your grant application. The grants will be submitted for final approval by the Foundation Board. Please email grants@uc-centurionfoundation.com if you have any questions about the grant process.
